Our Ref: KVA/WRD/MBER/2017

Dear KVA Member and Associates,

**RE: INVITATION TO ATTEND THE WORLD RABIES CONFERENCE.**

The Kenya Veterinary Association (KVA) is a membership organization of veterinarians whose mandate is primarily to promote the economic development and to safeguard the animal health, welfare and hence create wealth and improve livelihoods.

World Rabies Day is an International event that takes place each year on September 28 which aims to raise awareness among the community about the impact of rabies on humans and animals, provide information and advice on how to prevent the disease, and how individuals and organizations can help eliminate the main global sources.

The Kenya Veterinary Association (KVA) invites you to this year's World Rabies Conference that will be held on **27<sup>th</sup> September 2017 at Acacia Premier Hotel in Kisumu City followed by Veterinarian of the Year Awards (VOYA) ceremony in the evening and thereafter celebrations to mark the World Rabies Day on 28<sup>th</sup> September 2017 within Kisumu County.** This year's theme is "**Rabies: Zero by 30**"

We would be most grateful if you honour us and spare some time to attend this important event in our calendar year.

Thank you in advance,  
Yours Faithfully,

Dr. Samuel Kahariri  
**HON. CHAIRMAN, KVA**
