Thursday 31st October 2019

DR. KENNETH WAMEYO

It is with great sadness to inform the veterinary fraternity about the sudden and unexpected demise of Dr. Kenneth Wameyo yesterday, Wednesday 30th October 2019 at the Kenyatta National Hospital, Nairobi following a short illness.

Dr. Wameyo has been a valued member of the veterinary fraternity and has served the Kenya Veterinary Association in various capacities including being the Hon. Secretary from 2016-2018. He is famously known locally and internationally for being the founding member and moderator for various digital veterinary forums/platforms that bring together several veterinary groups including the KvetForum. He has also been active on social and digital media platforms where he has been the source of information for the veterinary fraternity.

We, the KVA – National Executive Committee wish to take this early opportunity to send our heartfelt condolences to the family and friends of Dr. Wameyo noting that his sudden demise is a great loss not only to them but to the entire local, regional and international veterinary fraternity.

Dr. J.M. Gichomo
Hon. Secretary - Kenya Veterinary Association
