

KELVIN OSORE: SHORT PROFILE

I am a member of Kenya Veterinary Association, and registered by the Kenya Veterinary Board, having from the University of Nairobi with a BVM in 2015. I worked with KCB Foundation, as a Project Assistant, on their Mifugo Ni Mali programme from August 2015-December 2015. I then joined Kenchic Limited from February 2016 to date where I work as a Veterinarian in the Quality Control Department. Based at Kenchic Laboratory, I focus on implementing and monitoring critical control points along the production chain and assisting our technical field team. In addition, I am in charge of all company trials.

I was the chairman of the Veterinary Students Association as well as President of the International Veterinary Students Association- Kenya from 2014-2015. This is my second term as the Assistant Treasurer of the Kenya Veterinary Association, a position I have held since 2018. Currently, I serve as the Chairman of the Membership, Mentorship and Member Welfare Subcommittee. I am the Founding National Treasurer of the Union of Veterinary Practitioners, Kenya and a founding member of the Kenya Pig and Poultry Veterinary Association. I am a member of the Kenya Bureau of Standards Technical Committee on Meat and Poultry Products
